# Our *Mission & Vision*

*our mission* is to spread the love of Christ throughout our community as we provide free pregnancy testing, limited ultrasounds, options education, post abortion healing, and material services while promoting marriage and fatherhood according to God's plan. We desire to walk alongside and encourage every person who is made in the image of God and affirm their dignity and value as they experience the love of Christ.

*our vision* is to be known as the place that changed my life for Christ.

## 2025 BABY BOTTLE CAMPAIGN

Every year, we partner with churches across Brevard County through our Mother's Day Baby Bottle Campaign. Participating churches distribute baby bottles to their congregations, inviting families to "fill" them with loose change, cash, or checks as a tangible way to support life and affirm the value and dignity of both the pregnant mother and her unborn baby.

This year, we were blessed to partner with **15 churches** and distribute more than **4,000 baby bottles**. We are truly in awe of the generosity and love shown by each church family. We look forward to continuing this tradition in the years ahead and invite your church to join us in making a lasting impact.
