Annual Report 2024

“The thief comes only to steal and kill and destroy. I come so they would have life and have it

*Abundantly”*

John 10:10

**An Annual Report from our 2024 year**  
*January 1, 2024 - December 31, 2024*

# Our History & Mission

During the COVID-19 shutdown, a Brevard county couple felt a deep burden for women facing unexpected pregnancies with limited support and nowhere to go. Answering the Lord's call, they established Essential Pregnancy Center in Brevard County, opening its doors in June 2021. Today, Essential Pregnancy Center has grown to include five dedicated staff members, twelve volunteers, and six board members—all united in their mission to be an extension of Christ's love to men and women across the county.

*our mission* is to provide pregnancy testing, limited ultrasounds, education, and post-abortion healing to those experiencing an unplanned pregnancy or struggling with the guilt and shame of a past abortion — all while sharing the love of Christ through the Gospel.

*\*we answer questions and educate our clients on abortion, but we do not perform or refer for them.*

## Our Free Services

### PREGNANCY TESTS

Our clients receive a medical-grade pregnancy test along with official documentation signed by our medical doctor.

### ABORTION RECOVERY

For clients with a history of abortion, a dedicated group of mentors provides compassionate support and guidance on their healing journey.

### LIMITED ULTRASOUNDS

Those with a positive pregnancy test are scheduled for an ultrasound to confirm pregnancy viability.

### EDUCATION & PARENTING CLASSES

Clients are paired with a Client Advocate who educates her on her options. Clients are sent virtual parenting classes— each completed class earns them "baby bucks," which can be redeemed for brand-new, high-value baby essentials!

# Overall Outcomes

"Amazing experience! Made my fiance and I feel so welcomed and gave us a great experience. We absolutely recommend that this is the first pregnancy center you should try!"

-John\*

of clients who had an ultrasound chose *life* for their baby!

# 393

Ultrasounds

Our ultrasounds confirm the viability of a client's pregnancy by ensuring the baby has implanted in the uterus and has a detectable heartbeat. Additionally, we measure the baby to determine its gestational age.

## Want to Get Involved?

1. Pray

Join us in prayer for more clients to walk through our doors, for wisdom and energy for our staff and volunteers, for the protection of the unborn, and for the spiritual transformation of the men and women we serve.

2. Give

Your generosity keeps our doors open! You can give by donating on our website, sending a check, or using PayPal. Every gift makes a lasting impact in our client's lives - thank you for partnering with us!

3. Volunteer

Our volunteers play a vital role in directly supporting our clients, offering guidance, encouragement, and hope as they navigate their future. Join us in making a lasting impact—volunteer with us today!

# Our 2025 Vision & Beyond

"After leaving the clinic, all my questions were answered and I left with way more knowledge, support, and overall reassurance about my situation than before I had gone in."

-Taylor\*

## Fatherhood Initiative

**Did you know that over 18 million children in America grow up without a father in the home?** At EPC, we are committed to changing that reality by launching a fatherhood program that uplifts, equips, and empowers the men who walk through our doors. Society often tells fathers, "It's her body, her choice," but we are here to remind them that they, too, have a voice in their child's life. If you know any experienced fathers who would be willing to mentor and guide young dads, we would love to connect with them!

## Baby Bottle Fundraiser

**Our annual Baby Bottle Campaign is launching in just a few months!** For the past three years, God has been faithful in using this fundraiser to provide for our ministry. We are honored to partner with churches across Brevard, encouraging their congregations to fill baby bottles with cash, coins, or checks. Every bottle makes a direct impact on the lives of the unborn, as well as their mothers and fathers. If your church would like to join us in this life-saving effort, we would love to partner with you!

## Center Expansion

**For the past 3.5 years, our beautiful facility in Bayside Lakes has served as a vessel of God's grace, truth, and mercy for our clients.** However, as the need grows, so must we. To reach more vulnerable women and families, we are prayerfully seeking to purchase or build a larger facility. Expanding our space would allow us to offer more ultrasound scans, provide additional consultation sessions, and extend our services to reach even more lives for Christ. Growth takes time—but most importantly, it requires resources. To learn more, please reach out to our staff!

**We invite you to tour our facility! Just give us a call at anytime.**
